Prof. Drs. Christoph Meinel and Mike Friedrichsen

Education Initiative By The German-UDS. Academy

Digital Enlightenment

Our lifelong learning and digital literacy programs are designed to empower citizens to master the challenges of the digital transformation.

Open to Everyone

German-UDS.academy is accessible to all, regardless of background or prior education to promote digital inclusion and democratize access to knowledge.

We believe in fostering a self-determined and self-responsible approach to education, ensuring individuals are equipped for the digital age.

Vision & Mission

Revolutionising Education

German University of Digital Science revolutionizes university education by empowering global talents through efficient lifelong learning in the digital age. This approach ensures that individuals can adapt to the evolving demands of the digital landscape.

Innovative Degrees

Offering digitally innovative world-class university degrees and micro-degree programs for all branches of digitalization. These programs provide specialized knowledge and skills relevant to various digital fields.

Scalable Formats

The German UDS provides scalable and internationally available formats, making education accessible to learners worldwide. Our University-as-a-Service Provider model ensures flexibility.

German UDS – the worldwide first University-as-a-Service Provider

German-UdS.academy – The Open Learning Platform of the *German UDS*

Open and Free Courses

German-UDS.academy provides open and free courses (MOOCs) for everyone. These courses are designed to be accessible and inclusive, promoting digital literacy and lifelong learning.

University-Level Certificates

Earn certificates at university level upon completion of our courses. These certifications provide formal recognition of acquired knowledge and skills, enhancing career prospects and personal development.

Recognized Research

Benefit from internationally recognized research on MOOCs, digital education, and knowledge engineering. Our academy is at the forefront of innovation in digital learning, ensuring high-quality and effective educational experiences.

The Right Format for Digital Learning: MOOCs – Massive Open Online Courses

1

Social Dimension

MOOCs provide the missing social dimension in online learning, fostering collaboration and peer interaction. This enhances the learning experience and promotes a sense of community.

2

Easy Entry

MOOCs offer an 'easy entry' point for more comprehensive learning offers. They provide a flexible and accessible way to start or continue your education journey, paving the way for further academic pursuits.

3

Upskilling and Reskilling

MOOCs are a relevant, scalable educational format for both individuals and organizations for upskilling and reskilling. They address the evolving skill requirements in the digital age, ensuring workforce readiness.

4

Addressing Shortages

MOOCs make an effective contribution to addressing the shortage of skilled workers by providing accessible and high-quality education on a large scale. These digital resources are part of the response to the changes brought about by digitization.

German-UdS.Academy – The Open Learning Platform of the *German UDS*

1 Open Courses

Excellent interactive open online courses (MOOCs) for the general public, designed to provide accessible and high-quality education for everyone.

2 Micro Degree Programs

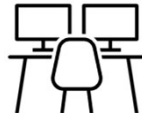

Micro degree programs certified by 5 ECTS, offering a great content range for continued education and lifelong learning opportunities.

3 Prep Courses

Courses designed to prepare interested students for starting academic programs at the German UDS, ensuring they are well-equipped for higher education.

4 Consulting Services

Consulting services related to digital content production workflows, providing expertise and support in creating effective digital learning materials.

Welcome to the German-UDS.academy

Thank you for joining us on this journey of digital enlightenment. We invite you to explore our open courses, micro-degree programs, and consulting services. Together, we can empower individuals with the knowledge and skills needed to thrive in the digital age.

We look forward to welcoming you to the
German-UDS.academy community!
